Eco-Friendly Tips for the Cold and Flu Season

NATURAL HOME REMEDIES

The following are some natural home remedies to combat cold and flu symptoms. Be sure to see your doctor if your cold or flu symptoms worsen, or last longer than a few days. Please note that these remedies should not be used as substitutions for prescriptions or advice from your doctor.

Saltwater: Gargling water with salt helps relieve soreness in the throat. Some believe that the use of salt reduces swelling of the throat and manages bacteria.

Echinacea: This herbal plant that has grown in popularity over recent years for its use as a remedy to fight or prevent the common cold. The herb is available in pill and liquid form, or can even be made into a tea.

Zinc: Zinc helps our bodies maintain a healthy immune system. Some people believe that taking zinc supplements shortens the duration of a cold.

Next week more remedies!

Conversations on Controversial Topics - 9:00 a.m.

*Let's Talk - Conversations on Controversial Topics
Lead by the High School Sunday School*

Please join the Sr. High Sunday School on Sunday, December 16 in the Fellowship Hall for the next installment of Controversial Topics. Inspired by their time at the Youth Gathering over the summer, our high school students will be leading a discussion on Gun Control. Stay tuned for the date of our final discussion, LGBTQ* equality. We hope you will join us!

Advent Wreath

Our wreath-makers plan to gather on Saturday, Dec. 1, at 9:00 am in the nave to make the large Advent wreath and a small one for the chapel. Anyone who would like to work on this is welcome. It's easy!

If you can contribute greens, we do need lots of them . . . short needle, long needle, and leafy greens (holly - preferably with berries, euonymus, etc.) - the more variety, the better it looks. Please bring either large branches or cuttings at least 2-feet long.

Please leave cuttings on the parking lot planting bed or at chapel entrance by Friday November 30th.

Politics & Preaching—Sunday School Conversation with Pastor V, 12/9

Since our high school youth will be away at the Synod Winterfest Retreat, Pastor Verkouw will be hosting a conversation about the relationship between his call to preach the gospel and interpret the scriptures amid the issues and troubles of the world in which we live, and the political “signs of the times” that fill so much of our public and private conversations. Pastor will help us understand the challenges he faces, and hopes you will be there to help him understand your own feelings, and how you connect faith, scriptures, and politics.

Stewardship Snippets

Dec. 2, 2018 (1st Sunday of Advent, Year C)

Psalm 25:4 – Make me to know your ways, O LORD; teach me your paths. Lead me in your truth, and teach me, for you are the God of my salvation; for you I wait all day long.

*The First Sunday of Advent's theme is hope. Christians find our hope in God.
We hunger for God and ask for guidance and strength to live fully as steward/disciples.*

Looking for Volunteers!

Do you like children and crafts? Maybe you really love story telling?

If you do please consider helping Kath with Fishbowl time during the 10:30 worship. Fishbowl is a wonderful chance to have story-telling time, great discussions and a craft with the wonderful children of Grace. Can you commit to one Sunday, once a month, twice a year? Please contact Kath or the church office for more details.

In hope, Kath Verkouw
